

At the core of our business is our end-to-end capability in talent recruiting. This experience has allowed us to not only connect with those strategic drivers at the apex of your organization but also what it takes to get the job done at the tactical and operational levels of your organization's challenge areas.

As a Service-Disabled Veteran-Owned Small Business (SDVOSB), we take exceptional pride in our agility, execution, and commitment to quality work. Our partners each have over 20 years of experience in leadership, executive search, recruiting, Information Technology and Program delivery in both government and commercial concerns.

OUR CAPABILITIES

Using our "Client-Centered Approach", we are able to rapidly meet our clients' requirements with consistency across our diverse capabilities in:

- **Strategic Sourcing & Recruiting**
- **Program Support**
- **Project Management**
- **Information Technology**
